# IMMIGRATION & LIFESTYLE ASSESSMENT FORM

---

The entire team at Mirzam Investor Green Card is dedicated to providing each and every client the individualized service and personally tailored attention that they should expect when contemplating an international relocation.

In order to ensure that you receive the highest level of personalized service, we ask that you complete the enclosed comprehensive questionnaire. This will allow our highly specialized team of Immigration attorneys and consultants to identify the most compatible Visa and/or Green Card options provided by United States Citizen and Immigration Services (USCIS). There are many different types of Visas and Green Cards available, and with this information we are better able to narrow down the options that will fit your situation.

You may be contacted by a representative of Mirzam to schedule a telephone consultation with an Immigration Attorney. If you wish to discuss other business possibilities in the U.S., Cliff Morris (CEO of Mirzam Holdings) can advise you on potential business viability, at your request. Please read his Bio here: <http://mirzamfunds.com/FundManagers.cfm>

Please take a few minutes and complete the questionnaire to the best of your ability, and describe your business interests in the “Comments” section. You may include links to websites on the form, or if you wish, email them directly to [steven@mirzam.org](mailto:steven@mirzam.org). All Mirzam client information is treated with the highest level of confidentiality.

Thank you for taking the time to visit Mirzam Investor Green Card!
